## SHIRU L'ADONAI SHIR CHADASH - You can always sing a new song

The first time I got properly involved in the festival of Shavuot, exactly forty years ago, it made a huge difference to my life. Like so many Jews the festival normally passed me by. I would enjoy a bit of Cheesecake without knowing much about why but otherwise, unlike for the High Holy Days, Sukkot, or Pesach there is nothing much

that I would do to celebrate. Then I went to Senior Kadimah, the Liberal Judaism summer camp for mid to late teenagers in the 1970's and 1980's and got to know Rabbi Cliff Cohen, currently Rabbi of Thanet Reform Synagogue in Ramsgate. Cliff was then the epitome of a youth oriented Rabbi, zany, spiritual, wonderful at talking about life, the universe and everything with earnest teenagers till the early hours of the morning at camp. Indeed he often used "Hitchhikers Guide to the Galaxy" to get Jewish teachings across to us.

When I was eighteen Rabbi Cohen invited me to come to his Synagogue at the time, Southgate Progressive, to experience something I had never heard of before, a Tikkun Ley'l Shavuot. This is a night of Jewish study on Erev Shavuot, that is meant to

go all the way through the night until dawn so that you hear the Ten Commandments on Shavuot, just like our ancestors did, as the sun rises. He explained it as being just like talking through the night as teenagers would, but with lots of Jewish attached.

I am so glad that I accepted the invitation. It was wonderful to study with a small group of people with, because we were going to finish at dawn, no rush to do anything and was my first experience of proper adult Jewish learning. I am sure that that evening set me on my journey towards the rabbinate. Ever since then, in 1981, I have loved Tikkun Ley'l Shavuot, and am delighted that for my third time at EHRS we will at least be going through midnight learning together for anyone who wants to join me (next year through to dawn?).

Cliff taught me that the secret to meaningful Judaism was very simple - try something new in our tradition. Don't get stuck in ruts with what you will or won't do. I took this lesson with me into studying Mussar, Kabbalah, Talmud, Jewish Business Ethics, experiencing and then joining Reform Judaism, visiting Synagogues of all kinds and denominations, combining Yoga with Judaism etc. etc. and it is why Judaism never bores me. There is always something new to discover, something new to try and you may find it invigorates your spirit in amazing ways. Hope to see you at our Tikkun Ley'l Shavuot this year for one hour or the whole thing.

**Rabbi Mark Goldsmith**

## PESACH AT EHRS 2021

### Finding Freedom at Home

As we settled down to our first Zoom sederim in 2020, all grappling with the new technology, we could never have imagined that we would be doing the same in 2021. But we did and we managed it!

EHRS's Pesach began with learning sessions for all ages from mid-March, teaching how to enhance a Zoom Seder, how to create a basic Seder if you have never done it before and how to make Seder more meaningful for veterans. Our young people joined over five hundred of their fellow Reform Jews as the national RSY-Netzer Chocolate Seder, having been delivered their tasty supplies by EHRS volunteers. We learned Pesach Pie cookery at Rabbi Debbie's cook-a-long and then twenty of our youngest families joined Rabbi Mark and Sarah Koster, the EHRS Young Families lead at Kuddle Up Seder, a Pesach experience for 0-6s.

Our Pesach services on the first and seventh days of the festival saw the welcome return of the EHRS choir and the special quality that their music brings to the community, together with our first congregations in person since November. Hundreds of members of the congregation joined us from home through our Classic Channel Livestream, and many others joined our family services and parallel services 'Clearing out the Chametz from our Lives' and 'Pesach BaBayit (at home)'. Murray Brown, EHRS's Youth Worker, ran our Pesach Scheme for children together with our Youth Centre Madrichim, to keep our children active at home during the school holidays.

We also brought the meaning of Pesach right up to date with the moving testimony of Rahima Mahmut, teaching us about the oppression of the Uyghur people today by the Chinese government in a zoom session attended by fifty EHRS members, now available on our EHRS You Tube channel. On the Seventh night of Pesach the legend of the immortal Serach Bat Asher was introduced by Rabbi Debbie so we know that it's not only Elijah who may turn up on our doorstep.

Perhaps the highlight of Pesach was our Zoom Communal Seder, led by Rabbis Debbie, Mark and Roberta together, a technological step up from last year's and full of laughter and togetherness for more than a hundred and twenty EHRS members. Next year in Stonegrove!

As I write this update in the first week of April, the Education team is busy planning and preparing to reopen in-person classes for those families who want their children to return to EHRS. We have done well on Zoom over the last year, but many of our parents especially in Orot, are saying we want our children to return to the synagogue, and we of course want to welcome them back. We have updated our risk assessment and plans of how we will return safely to EHRS. For example, all our teaching staff will be taking COVID tests on the day prior to teaching at EHRS. We will be offering online classes for those children who are not ready to return to in-person classes yet.

I think we can be proud of what we have achieved over the last year in Orot, the BBM classes and ATJ. We have helped our members young and old stay connected to EHRS through our fantastic programmes and events we have put on through Zoom. We have brought smiles and appreciation from families by sending out resources for our special events themed around festivals. But when possible we welcomed our members into EHRS such as for Chanukah, when we held sessions for the different ages to come and enjoy the celebrations, not least the fire eater entertainer. But people who could not come didn't miss out as we live streamed our event for them to enjoy.

For Tu B'Shevat we were not able to meet in person, but that didn't stop us planting a pear tree and burying a COVID time capsule at EHRS, visiting Canons Park, Neot Kedumim in Israel and Melbourne, Australia to enjoy the trees of each country. Our children in Orot received carob seeds and seed paper that we hope is starting to sprout wildflowers when planted. *Please take photos to show us the progress!* Similarly, for Purim on Zoom we made cocktails with a professional mixologist, got historical with the story of Purim, got close up to the megillat Esther and tested our Purim knowledge on Kahoot.

**Above:** Chocolate Seder resource bags sent to Orot children

As our end of term neared, Orot prepared for Pesach, by participating in the Reform Judaism chocolate seder with 400+ participants from Reform community chedarim all over the country on Zoom. The children received gift bags of all the ingredients they needed for that, delivered by volunteer drivers. It was special for our children to experience being part of the hundreds of children who meet on Sunday mornings in synagogues all over the country, and they made us very proud by delivering their dayenus at the event.

To celebrate their term of learning on the theme of avodah (service), our b'nei mitzvah children very beautifully led the Friday night service on March 19. They each received a gift of challot and a siddur in memory of our beloved Rabbi Neil Kraft z'l. Thank you to all our volunteer drivers who have delivered all these gifts to our members. We know the many smiles and thanks we received makes our efforts all worthwhile. But nothing replaces the connections we can make in person. So subject to our moving out of lockdown as planned and getting some semblance of normal life slowly returning, next time I write an update I hope it will be about what we have been doing in person at EHRS.

### World Union for Progressive Judaism Havdallah

**Saturday 22 May**

EHRS and Isaac M. Wise Temple, Cincinnati are joining for a Havdallah (end of Shabbat ceremony) and get together to celebrate the bonds that tie Reform congregations all around the world on this weekend. Normally there is a physical get together in Jerusalem of worldwide Progressive Judaism every two years but due to the pandemic that is being replaced this year with a virtual link up of communities. We have been 'twinning' with the Isaac M. Wise Temple, the original Reform synagogue in Cincinnati which was founded in 1840 and is foundational to American Reform Judaism. Join the EHRS Havdallah group and our new friends in Cincinnati for a heartwarming hour. Full details including timing closer to the time.

## COMMUNITY CARE

### Let's Talk Mental Health and Social Media - Sunday 2 May 2021

EHRS launched our Let's Talk mental health initiative in February 2020 with a focus on the mental health of children, young people and their families. Less than a month later Covid-19 gripped society with the first lockdown and there is no doubt that the past 12 months has had an effect on everyone's wellbeing and mental health. Children have been home schooled with this added pressure on their parents. With so much uncertainty about their future, many children and young people have spent additional time on social media and the effect of this has been widely publicised.

We are pleased to announce that to coincide with Mental Health Awareness week this year we have arranged this event on Sunday 2 May, 19:00 to discuss the effects of social media on young people's mental health which will give you the opportunity to ask questions to our panel led by Jonny Benjamin MBE. Jonny is a mental health campaigner who set up his mental health charity Beyond to provide mental health support for young people, their families and teachers.

Joining Jonny will be Louisa Rose, CEO of Beyond and an experienced social media consultant who recently led Inside Out Day/Beyond School's festival in February 2021 on wellbeing and mental health with 1200 schools taking part. Louisa also visits schools to give talks to students and parents on the use of social media.

They will be joined by Ian Russell who created the Molly Rose Foundation, a suicide prevention charity in memory of his daughter who took her own life in February 2017. Ian is a mental health activist campaigning for social media platforms to be made more responsible for the content on their platforms.

Also joining the panel will be a student who will talk about how they overcame the abuse they suffered on social media.

Please email Community Care [communitycare@ehrs.uk](mailto:communitycare@ehrs.uk) for the Zoom link.

The EHRS Let's Talk Mental Health working group has now held two Zoom meetings since the start of 2021 and is chaired by EHRS member Michael Benjamin. The aim of the group is to help, signpost and provide support wherever we can to parents, siblings, grandparents and friends affected by the mental health of our younger members. Our work to date includes establishing a dedicated EHRS Let's Talk email

**Wednesday 12 May:** Preparing for Rosh Hashanah in May? The coming New Year is a 'Shmitta' year – when the farmers of ancient Israel let the land lie fallow, and social justice was prioritised over economic growth. What on earth is it? Did it ever really work? And what can it mean to us today?

**Wednesday 9 June:** Lilith – Demoness or Jewish heroine?

## ALL ADULTS

### Monthly Cook-a-Longs

Our Cook-a-Long's led by Rabbi Debbie are open to all adults who would like to join us. To join our Cook-a-Longs, please email [rabbi.debbie@ehrs.uk](mailto:rabbi.debbie@ehrs.uk) for Zoom details and ingredients lists.

### Wednesday 26 May: Foraging and Freebies

What can we cook with left over onion skins? Can my vegetable scraps be useful or are they only good for compost? What free food can I forage in the local wood? We will also learn how to make cured salmon, a cut price alternative to shop bought!

### Wednesday 23 June: Time For Tea -

A cup of tea always tastes better with something sweet! At this cook-a-long you can choose between a Brazilian Teabread packed full of dried fruit, or a light and tasty Marmalade Loaf. We will also make the easiest and most versatile cookie there is. Featuring the fabulous Bonnie Bakes (our very own Bonnie Lemer) who will be teaching us.

## Rabbi Kraft Memorial Book Club

The Rabbi Kraft Memorial Book Club was set up in memory of our dearly missed Rabbi Neil Kraft z'l. Rabbi Kraft was a keen reader and we're sure that he would have been pleased with this venture. **I don't just want to be having any kind voice . . . I want a louding voice.**

At fourteen, Adunni dreams of getting an education and giving her family a more comfortable home in her small Nigerian village. Instead, Adunni's father sells her off to become the third wife of an old man. When tragedy strikes in her new home, Adunni flees to the wealthy enclaves of Lagos, where she becomes a house-girl to the cruel Big Madam, and prey to Big Madam's husband. But despite her situation continuously going from bad to worse, Adunni refuses to let herself be silenced. And one day, someone hears her.

The book club in June will take place on Tuesday 1 June, 19:30.

**The Rabbi Michael Leigh z'l Memorial Lecture 2021/5781**

**Edgware & Hendon Reform Synagogue and Yitzchak Rabin Lodge - B'nai B'rith UK**

**Thursday 29 April, 20:00 - 21:30**  
**With guest speaker Jeremy Rosen**

**Every year EHRS jointly hosts a lecture together with the Yitzchak Rabin B'nai Brith Lodge on the Yartzheit of our former Rabbi from 1963-1993, Michael Leigh z'l.**

This year our lecturer is Rabbi Jeremy Rosen. Jeremy Rosen is an Orthodox rabbi, author, and lecturer. He is best known for advocating an approach to Jewish life that is open to the benefits of modernity and tolerant of individual variations while remaining committed to Orthodox halachah. His articles and weekly column appear in publications in several countries, including the Jewish Telegraph and the London Jewish News, and often comments on religious issues on the BBC. He is director of Yakar Educational Foundation in London, and chairman of the Faculty for Comparative Religion in Antwerp.

The lecture will take place on Zoom and also on the EHRS Livestream. If you join us on Zoom you will also be able to ask questions at the end of the lecture. For the Zoom details please email [admin@ehrs.uk](mailto:admin@ehrs.uk)

The host for the event is Yitzchak Rabin Lodge and it will take the form of a Zoom interview with Rabbi Jeremy Rosen by Rabbi Mark Goldsmith, Senior Rabbi of Edgware and Hendon Reform Synagogue.

The children at Nagila enjoyed learning about Pesach this term. They took part in a range of activities, which included treading grapes to make their own wine; took all day making bread and then the next day made matzah as quickly as we possibly could. We finished the term with our own seder led by Rabbi Debbie, which the parents were able to watch through the wonder of Zoom!

Over the next few months, we will be carrying out some much-needed major renovations and expanding our provision, creating an exciting new space to play and learn. In addition, we will be revamping our outside play areas and with the creation of a brand-new kitchen, we intend to be able to offer a hot lunch alongside breakfast and snacks. We have also reviewed our hours and from September we are pleased to provide the following sessions (which also brings us into line with other nurseries in the area):

**Breakfast – 07:45-09:00**  
(Breakfast included)  
**Morning session – 09:00-12:00**  
**Lunch session – 12:00-13:00**  
(Lunch included)  
**Afternoon session – 13:00-16:00**  
(Afternoon snack included)  
**Late club – 16:00-17:30**  
(Light dinner provided)

We are very much looking forward to welcoming more of the youngest members of our community to a new and improved Nagila in September.

## COMMISSIONING THE WRITING OF A TORAH SCROLL IN MEMORY OF OUR DEAR RABBI NEIL KRAFT Z'L

When we formally announced at the beginning of February that we were hoping to commission the writing of a Torah Scroll in the name of Rabbi Neil Kraft z'l, the response from our membership was astonishing. As articles regarding this initiative appeared in the weekly 'Our Week Ahead' email as well as in Ledor Vador, we were overwhelmed and obviously extremely gratified that our members were so keen to help us financially to ensure that we could reach a target that would allow this scroll to be commissioned.

As the festival of Shavout approaches, I can inform you that we are within touching distance of letting our sofer know that he can start writing this Torah Scroll. However, one more little push is still needed.... Traditionally, Shavout is the Festival which celebrates the giving of the Torah on Mount Sinai. How appropriate it would be if we could reach our target during or close to this special Chag. Surely, that would add extra significance to this new 'Community Scroll'.

Over the past few months, I have been so touched at stories I've heard from donors, stories which have highlighted the warmth and generosity of Neil, a wonderful man and Rabbi, and I'm sure there are many more stories I've yet to hear.

Please do email me at [scroll@ehrs.uk](mailto:scroll@ehrs.uk), detailing how much you'd like to donate or pledge, and do include your telephone number so that I can call you. Any amount is naturally greatly appreciated, but if you need a guideline, a verse costs £30, a chosen/specific verse costs £50, a chapter costs £100, a sedrah costs £600 and one of the five books of Moses contained within the Torah costs £6000.

I do hope that by Rosh Hashanah we can announce that the writing of this Torah Scroll has begun.

Thank you so much.

Laurence Stein

## ALL THINGS JEWISH

### Rosh Hodesh: All About Eve with Eleanor Davis

Torah Study via Zoom (For Zoom details please email [atj@ehrs.uk](mailto:atj@ehrs.uk))

**Mondays 10 May & 7 June, 20:00-21:00, running monthly until July 2021**

All About Eve: The New Moon is a traditional women's holiday, but this monthly study group is open to all. This year we're exploring Eve's story in Torah and Rabbinic literature, to investigate the first woman as an individual and as an archetype. Join us to discover how Eve is far more than just a spare rib. Please see website for future dates.

### First Shabbat Shiur, 9:15-10:00

Our Shabbat Shiurim are on all kinds of areas of Jewish life.

**Saturday 1 May - How Kabbalah makes Torah come alive in a whole different way** - Using texts from the Zohar, one of the foundational texts of Kabbalah, Jewish mysticism, Rabbi Mark will lead a session which shows how Kabbalistic thinking gives us an extraordinary insight into Torah and opens up spiritual possibilities.

**Saturday 5 June - Tallit and TzitTzit** - In this week's torah portion we will hear the command to put tassels on the four corners of our clothes. How has the understanding of this law shifted over time, what does it mean to each of us to wear (or not to wear) tallit or tzitzit, and when did women begin taking on this mitzvah? Led by Rabbi Debbie.

Learn Torah with our Rabbis at home using Zoom. These sessions are full of new insights which bring Torah to life.

**Saturday 15 May, 09:15-10:00**

**Wilderness Torah** - The Torah portion BaMidbar is nearly always read just before Shavuot. And Shavuot is when Israel receives the Torah as related to Moses by God. Join Rabbi Roberta to explore the relationship between being in the desert (midbar) and receiving the Law that has kept Jews together for close on three thousand years.

**Saturday 19 June, 09:15-10:00**

**Personnel Policy** - Chukat is the Torah portion in which Moses loses his role as the leader of the Israelites into the Promised Land. Rabbi Mark asks what did Moses do to deserve this and was it good personnel policy on the part of his Divine employer?

### How to create your own Mezuzah

**Sunday 9 May, 11:00**

Much respected and admired sofer, Bernard Benarroch, who entertained us in mid March when he showed us around his workshop on Zoom during the Rabbi Neil Kraft z'l Memorial Scroll Event will be teaching us on Zoom how to create and design a mezuzah. This event gives members who still want to donate towards the commissioning of the Torah Scroll in Neil's name, the opportunity to do so.

### We've Travelled So-Far-Day

**Sunday 30 May, 10:00-13:00**

This is a morning dedicated to a whole Jewish world telling three parts of the Sephardi and Mizrahi Jewish story. In this year where we cannot travel, EHRS offers you a morning to visit Jewish communities in time and places where we thrived in the past, moved on from or transformed today. At EHRS we frequently tell the Ashkenazi (German and Eastern European) Jewish story. Today is about the many other parts of the world where Judaism has set down roots. We will hear about the Jewish Pirates of the

Baghdadi  
Jews at a  
Wedding

The  
Abuhav  
Synagogue  
in Safed

Caribbean, the flourishing of Jewish mysticism and Kabbalah bringing a bit of heaven down to earth, and how Baghdad hosted 1500 years of extraordinary Jewish culture, until the Farhud Day massacre, 80 years ago on June 1-2 1941, began to bring it to an end. This is going to be a 'hybrid' event meaning that you can either join us in person at the Synagogue or learn from home using Zoom. We are going to be telling the story of three extraordinary communities: The Jews of the Caribbean, the Jews of Safed in Israel and the Jews of Baghdad in Iraq. The stories will be told by descendants of the Jews of the places we are hearing about together with our Rabbis and educators.

You will be able to book to come into to the Synagogue at either 10:00, 11:00 or 12:00 for an hour to experience one of these stories in person and then return home to experience the other two on Zoom, or you can experience them all on Zoom at home.

Full details will be available closer to the time in the Our Week Ahead email so that you can choose how to be part of this memorable morning. Our programme will be suitable for all ages, adults and children together.

### Talmud Class Sundays 2 May, 16 May, 20 June & 4 July, 10:00-11:00

EHRS's stimulating and friendly Talmud class is open to all levels of Jewish knowledge. Join Rabbi Mark to grapple with the ideas of our classical Rabbis. Join the discussion of 2000 years ago and its remarkable relevance to issues today. No previous Talmud study experience necessary, just a thirst to get deep into the foundational texts of Judaism. This class is conducted online through Zoom as discussion and argument is what it is all about! Please email [rabbi.mark@ehrs.uk](mailto:rabbi.mark@ehrs.uk) to get the Zoom details and the Talmud texts we are studying.
