## 5784 - 2023

### Categories:

For charities to be included in EHRS' HHD Appeal, they need to fall into one of the following categories:

- i. **Tikkun Atzmi:** *The repair and improvement of ourselves and of our own community.*
- ii. **Tikkun Ami:** *Support of Jews both in the UK and abroad.*
- iii. **Tikkun Olam:** *Helping repair the wider community.*

### Please note:

- i. Charities who submit an application should be aware that both EHRS' Honorary Officers and Synagogue Council will agree to, and have the final say on, all charities included in the HHD Appeal.
- ii. Please do not include additional marketing materials with your application as you will be contacted should these be required.

### Criteria for Inclusion:

- i. The chosen charity should reflect the ethos and values of EHRS.
- ii. Large, national and multinational charities will only be considered for inclusion if the application is for a specific project(s) that meet the agreed criteria.
- iii. The Tzedakah Committee should be satisfied that the money raised through the HHD Appeal for a chosen charity will "make a difference" and be put towards projects specified by the charity.
- iv. The chosen charity/organisation must be willing to engage in an ongoing relationship with EHRS. This would include agreeing to speak at EHRS – in a service or in an education or community forum as agreed with both parties.
- v. Charities are not eligible to apply if they have been included in the previous year's HHD Appeal.
